

Being a Man in a Woman's World

By Dr. Dennis W. Neder

Start having the best relationships of your life!

"...The best book I've ever read on relationships – and I've read them all!" Jack, Pasadena, CA

"...This book is brutally honest! It made me mad, because it's so right!" Karen, San Francisco, CA

"...Sets a new standard...a 'must read' for anyone looking for a relationship!" Markus, Toronto, Canada

"...Definitely 5 stars for me – don't waste your money on anything else!" Olivier, Antwerp, Belgium

Finally, men's relationships written by a man! It's time we men stood up and took our place in society. Use tested, effective business techniques, marketing, planning, and goal setting to design your relationships – even if you've been in them for years. Craft your relationships; don't just have them thrust upon you!

- **The truth about women that every man had better know**
- **How to spot, handle and beat "The Test"**
- **How to find and meet the women you've only dreamed about – and get phone numbers every time!**
- **How to handle the 20 most common problems men have in their relationships**
- **How to design and build your relationships – don't just leave them up to chance!**
- **How to keep control of the relationship – and keep her wanting more!**

After more than 20 years as an entrepreneur and a student of human behavior and relationships, Dennis W. Neder has turned his successful business techniques and sales skills to the world of dating. Now, his experience can be yours!
